Activity: Animal Taxonomy

1. Think of your favorite animal or one that you want to learn more about. Search for the animal in the search bar on [this website](#) to see the taxonomy classification information.
2. Fill in the information of taxonomy under “Animal 1”.
3. Then, think of another animal that you think is similar to the first one you choose, and search it as well. Fill out the information for ‘Animal 2’ and answer the questions.
