

New Zealand is full of diverse geography and culture. Use an atlas resource to help you complete the checklist and fill out the map below:

- __ Color each region a different color.**
- __ Label the North Island, South Island, and Stewart Island.**
- __ Label the Pacific Ocean and Tasman Sea.**
- __ Choose 5 cities. Add dots to show the cities, label them.**
- __ Add triangles to show where there are volcanoes.**
- __ Label Lake Taupo and Lake Te Anau.**
- __ Draw the Waikato river onto the map.**
- __ Label Cook Strait.**
